Kelly Ann Kienzle has been named president and CEO of ATG LegalServe, Inc., a subsidiary of Attorneys' Title Guaranty Fund, Inc.

Kienzle joined the staff of ATG LegalServe as vice president of sales and marketing in February 2016 when her company, It's Your Serve (IYS), joined forces with ATG LegalServe. She brings more than 20 years of experience and leadership to her new position.

ATG LegalServe is a full-service litigation support company offering services to lawyers and law firms throughout Chicago and beyond. The accurate and timely service of litigation documents, as well as the delivery, retrieval, and filing of documents by companies is essential to the legal process. In addition to process serving, the company also provides related services such as skip tracing, background checks, surveillance services, and court filings.

Founded by Kienzle in 1993, IYS is recognized throughout the Chicago area as a professional, knowledgeable, and efficient process service agency. IYS built an extensive client list that included many of Chicago's top firms.

"Kelly's knowledge, work ethic, and leadership will give ATG LegalServe the ability to flourish," said Peter J. Birnbaum, ATG president and CEO. "Under her leadership, we will be the premier process serving company in Chicago."

Kienzle serves as secretary on the board of directors for the Illinois Association of Professional Process Servers and is a licensed private detective.
